SMARTSHOP™ ARK

Your Smarter Retail Destination

SMART SHOP

IT'S BRILLIANT!

NAMA Compliant Smart Lock

Smart Lock ensures product freshness.

Standard Video Advertising Screen

1920 x 540 resolution digital screen.

AI Vision Technology

AI camera technology tracks the items selected by each customer

Optional Voice Assistant

Lets customers speak to the machine instead of using buttons

Fully Customizable

Sell any product, any where, anytime

Premier Warranty

Industry leading warranty protection plan

Flexible Payment Options

QR code scan & go feature or a card reader payment system

24/7 Retail Operations

Secure unattended retail system

Remote Management System

Centrally controlled VMS system

Real Time Shopping Cart

Purchase multiple items in one transaction

24/7 Ticketing Support Globally

Round-the-clock global ticketing assistance.

More Profitable

Low Capital & operating cost maximizing returns

3-year compressor, 1-year parts cooler warranty, plus 2-year SandStar CV coverage.

Touch Screen Card Reader

Robust unattended payment terminal manufactured by Castles Technology for self-service environments such as vending machines, kiosks, and laundromats.

Optional: Universal Pusher

Drink & Snack Pushers Available

Keep products organized and front-faced with this 8-lane pusher organizer. Ideal for flat shelves in cold vaults, coolers, or merchandising racks, it enhances visibility and accessibility, and can be trimmed to fit specific display needs.
